June 24: Heavy thunderstorms.

So we have said Hicks should be A Boston preacher informed his White Sewing Machine Company, suppressed. So say high authorities try her. She is still working there.

John T. Franks, of Denver, Colo., writes after this wise:

"I think of lots of fool things I could write you about, but I will not clork in Marion. take up your time now. Hope you and you alls are enjoying life and that the world is good to you.

Come on with your coming, this world is make up of the foolishness of things. We have it in holy writ that the world is to be saved by the foolishness of preaching.

This same man, John Franks, delivers himself again after this man-

"We sometimes think of going back to Kentucky, but what could I do in Marion without money any more than I can here?"

Now what do you think of that? Mr. Franks dreads to tread the streets of Marion again for fear her millionairs would make it unpleasant for him. Her bloated bondholders and barons of predatory wealth might give him a chilly smile.

Persistence and nerve will work wonders. If you don't believe it try We are led to this remark by a visit to Marion last week of Miss complete recovery Miss Rosa had started for Memphis and stopped in Rosa obtained her present position recalled the above sentence. Need-"Why, do you know," continued less to say her job is a good one. that high spar authority; "that I Standing on the carpet in front of Dick leaned back and assumed a have a string of telegrams this high," her would-be-employer she stated and he measured up at least two feet that she applied for the vacancy and "Yes siree," he continued. Rosa replied, "I can do any-The vacant stare said, "I won't.

Rosa refused to go and declared

"Try me. Try me." The vacant stare awoke and did

It has been said by those in a position to know that a certain young bank clerk, of Marion, does more work with less ease than any other

The makers of Grandpa Soap have a way of advertising that will sooner tinue to September 1st. or later get them into serious trouble with one of our good citizens. They put up small cakes of soap in packto each name. Paul Walker got one chestra on board. of these cakes. He imagined that the sender thereof was casting reflections or insinuating that he needed soap and now he is hunting the dealer who sent his name to the makers of Grandpa Soap.

John Ann Clark is one of our good citizens. Although somewhat up in years he stands erect as an Indian. He was asked the other day if he was not past fifty years of age. He said, "Yes, I'm past fifty. am three score and ten years old and today I feel like I was good for auother three score and ten.

The old saw, "Be sure you are right and then go ahead," has been transposed in these latter days and now reads, "Be sure you are ahead and then you are right.'

John J. Ingalls wrote a dozen lines or so of blank verse that will carry his name further down the aisles of time than all his political shafts of vitrolic eloquence. It is labeled "Opportunity" and is founded on the fable that she knocks but once at every man's door. Levi Cook says this is untrue and Ingall's lines deserve oblivion. He contends that opportunity knocks every day Hair Cut 15c. at every man's door. We think Levi
